Non-Residential Commercial - Industrial - Multi-Family Buildings

The Enclosed Information Is To Help Aid In The Process Of Obtaining All Of The Proper Information Prior To The Issuance Of Any Permits for Non-Residential Commercial, Industrial and Multi-Family Structures

Effective July 1, 2011 Tazewell County began enforcing adopted building codes. The Tazewell County Building and Property Maintenance Code is to provide minimum standards to safeguard life, limb, health, property and public welfare for citizens of Tazewell County.

Effective February 1, 2014 the following codes, with amendments, adopted by the County Tazewell Board are to be enforced for multi-family, commercial, industrial and institutional structures are as follows:

- *Tazewell County Building & Property Maintenance Code*
- *International Building Code 2012*
- *International Property Maintenance Code 2012*
- *NFPA 70: National Electrical Code 2011 Edition*
- *State of Illinois Plumbing Code Part 890 Illinois Administrative Code*
- *International Mechanical Code 2012*
- *International Energy Conservation Code 2015*
- *Illinois Accessibility Code*

Building plans will be reviewed for compliance with the above codes and inspections will be required during construction. Please allow 14 working days for plan review upon submittal of the building permit application to the Department.

It is the responsibility of the property owner to notify the Community Development Department of the time that the property will be in a state which requires inspection.

Please notify the Community Development Department during normal business hours, at least one (1) business day (twenty-four hours in advance of the time for each inspection). Upon receiving such notification, the Community Development Administrator shall arrange for the property to be inspected within a reasonable time period.

ALL BUILDING DRAWINGS SHALL BE AVAILABLE FOR REVIEW BY THE CODE OFFICIAL AT THE BUILDING SITE

PLEASE FOLLOW THE CHECKLIST ENCLOSED WITH THE COMMERCIAL PACKET TO ENSURE THAT ALL ITEMS ARE PROVIDED AT THE TIME OF SUBMITTAL TO ALLOW FOR A TIMELY REVIEW PROCESS
