MOTION

MOTION BY CARIUS, SECOND BY D. GRIMM to enter into Executive Session under 5ILCS 120/2(c) Collective Bargaining or Salary Schedules at 3:02 p.m.

On voice vote, MOTION CARRIED.

Chairman Hobson moved the Committee out of Executive Session at 4:02 p.m.

Member Neuhauser said that he had mentioned looking at privatization and suggested that Finance do some research regarding the matter. Neuhauser asked if this is appropriate for Finance to do or should it be Human Resources or a combination of both.

Administrator Jones said that there are some legal issues to consider but that Finance and HR involve the same people and it would be appropriate to form a sub-committee to take a look at the issue. Jones said that one of the things that would be better is professional management of the County and to have professional management involved with the County as a benchmark in looking to see what other communities are paying for the same things. Jones said that this would be a legislative decision and would require conversations with attorneys in terms of exactly what process to follow.
