Independent Auditor's Report

Tazewell County Circuit Clerk
Tazewell County, Illinois

We have audited the accompanying financial statements of the Agency Fund of the Tazewell County, Illinois Circuit Clerk as of and for the year ended November 30, 2009, as listed in the table of contents. These financial statements are the responsibility of the Tazewell County, Illinois Circuit Clerk's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1, the financial statements present only the Agency Fund of the Tazewell County, Illinois Circuit Clerk and do not purport to and do not present fairly the financial position of Tazewell County, Illinois, as of November 30, 2009, and the changes in its financial position and the cash flow of its proprietary fund type for the year ended, in conformity with accounting principles generally accepted in the United States of America.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Agency Fund of the Tazewell County, Illinois Circuit Clerk, as of November 30, 2009, and its changes in assets and liabilities for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated August 4, 2010 on our consideration of the Tazewell County, Illinois Circuit Clerk's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

The Tazewell County, Illinois Circuit Clerk has not presented a management discussion and analysis that accounting principles generally accepted in the United States of America has determined is necessary to supplement, although not required to be part of, the financial statements.

Our audit was conducted for the purpose of forming an opinion on the financial statements taken as a whole. The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

This report is intended solely for the information and use of the Tazewell County, Illinois Circuit Clerk, members of the Tazewell County Board, the State of Illinois, the Illinois General Assembly, and the Governor of the State of Illinois, and is not intended to be and should not be used by anyone other than these specified parties.

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. **Independent Auditor's Report on Internal Control Over
Financial Reporting and on Compliance and Other Matters
Based on Audit of Financial Statements Performed in
Accordance With *Government Auditing Standards***

Tazewell County Circuit Clerk
Tazewell County, Illinois

We have audited the financial statements of the Agency Fund of the Tazewell County, Illinois Circuit Clerk as of and for the year ended November 30, 2009, and have issued our report thereon dated August 4, 2010. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Tazewell County, Illinois Circuit Clerk's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the entity's internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and would not necessarily identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. However, as discussed below, we identified a certain deficiency in internal control over financial reporting that we consider to be a material weakness.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. We consider the deficiency described in the accompanying schedule of findings and responses as Finding No. 09-1 to be a material weakness in internal control over financial reporting.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Tazewell County, Illinois Circuit Clerk's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Tazewell County, Illinois Circuit Clerk's response to the finding identified in our audit is described in the accompanying schedule of findings and responses. We did not audit Tazewell County, Illinois Circuit Clerk's response and, accordingly, we express no opinion on it.

This report is intended solely for the information and use of the Tazewell County, Illinois Circuit Clerk, members of the Tazewell County Board, the State of Illinois, the Illinois General Assembly, and the Governor of the State of Illinois, and is not intended to be and should not be used by anyone other than these specified parties.

Finding No. 09-1 - Financial Statement Preparation and Responsibility for Financial Matters

Condition:

In an ideal control setting, the Circuit Clerk's office would have personnel possessing a thorough understanding of applicable generally accepted accounting principles staying abreast of recent accounting developments.
